

Dear Colleague,

On behalf of the organizing committee, we are pleased to invite you to attend the "**10th International Conference on Materials Science and Nanotechnology for Next Generation (MSNG-2023)**", which will be held on **September 27-29, 2023**, at **Erciyes University in Kayseri, Türkiye**. This event presents an excellent opportunity for students, researchers, industrialists, and academic professionals to share their knowledge with one another and establish new connections that enhance research and development activities. For detail visit:

www.msng2023.com

For abstract template:

<https://msng2023.com/Abstract-Submission.html>

MSNG-2023 aims to encourage multidisciplinary discussions in all areas of materials science and technology, featuring invited speakers and participants from various countries. The major discussion topics will include;

- Nanotechnology and Nano-Functional Materials
- Biomedical Applications
- Bio-Materials and Bio-sensors
- Dental Materials
- Medical and Health Applications
- Energy and Energy Systems
- Environmental Applications
- 2D-Materials
- Electronic and Photonics Materials, Metamaterial
- Electric, Magnetic and Superconducting Materials
- Materials For Defense and Industrial Applications
- Composite Materials
- Ceramics and Glasses
- Polymers and Polymer based devices
- Photo and Thermo detectors

Best regards,

ON BEHALF OF ORGANIZATION COMMITTEE

CONFERENCE MANAGERMENTS:

Assoc. Prof. Erkan Yılmaz, Erciyes University / TÜRKİYE
Assoc. Prof. Serkan Dayan, Erciyes University / TÜRKİYE
Asst. Prof. Emre Yavuz, Erzincan Binali Yıldırım University / TÜRKİYE
Prof. Fahrettin Yakuphanoglu, Fırat University / TÜRKİYE
Prof. Canan Aksu Canbay, Fırat University / TÜRKİYE
Assoc. Prof. Ayşegül Dere, Fırat University / TÜRKİYE
Assoc. Prof. Fatma Kılıç Dokan, Kayseri University / TÜRKİYE
