Scholarships are awarded to applicants nominated by the competent authorities of eligible countries.
This scholarships scheme is designed for university/college students or graduates and Ph.D. applicants who wish to accomplish a part of their study at one of the Slovenian institution of higher education (in Slovenian language). A part of postgraduate study is based on individual works under the supervision of Slovenian professor/mentor.

Its length usually ranges from 3 to 10 months depending upon the agreement concerned that specifies also the categories of eligible recipients.

The scholarship cannot be awarded for a complete course of study leading to a degree.

Neither can the scholarship be granted for any Slovenian language course.

Please note that tuition fee cannot be covered from this scholarship!

Majority of the applications are admitted for short time study stay or research visits by doctoral students/candidates (i.e. they either attend non-degree courses of their choice, or pursue an independent research activity at the host institutions, depending on their qualifications and preferences). In compliance with the applicable legal regulations, decisions on admission to research or study stays are taken by the institutions of higher education. Applicants are therefore obliged to contact the selected university directly and request a Letter of Acceptance from the relevant department. Applicants are requested to point out to the selected university that they are applying for a scholarship award under the bilateral agreement.

The age limit of the applicants for study stays is 26 years (the applicant may not complete 26 years of age before the end of the scholarship period) and 30 years for research visit.

Exceptions to these regulations are possible only if so defined in the concerned bilateral agreement.

The applicants for study stays should be proficient in the Slovene language, unless the working language is agreed upon with the mentor/supervisor.

All applicants should indicate the preferred period of scholarship in their application form. The Ministry reserves the right to change the requested term of scholarship and/or place any applicant to a course and/or higher education institution different from those indicated in his/her scholarship application form, if admission as requested by the applicant is not feasible.
APPLICATION PROCEDURE

The implementation of this scholarships programme in the Republic of Slovenia is assigned to the national agency: CMEPIUS – Centre of the Republic of Slovenia for Mobility and European Educational and Training Programmes.

The nominations (main and reserve list) and application dossiers of applicants must be submitted to the CMEPIUS by the competent authorities (usually respected ministries of education, government agencies) of eligible countries.

Competent authorities present the nominations before the deadline set in the relevant agreements, in most cases by March, 31 2014. The closing dates for applications fixed by the competent authorities are necessarily earlier (normally by several months). Prospective applicants are therefore advised to contact the respective competent authorities in time.

Each application dossier must comprise a copy of a completely and legibly filled out Application form and Letter of Acceptance* with the following required attachments which are also submitted in duplicate:

- a photocopy of ID card or passport (page with the photography),
- one Letter of recommendation for study stays and two Letters of recommendation for research stay from applicant’s home institution,
- photocopy of diploma and/or certified transcript(s) of records,

All these documents must be written in or translated into Slovenian or English language. Incomplete application dossiers and/or inadequately completed application forms will not be processed.

Advice and further information can be provided by CMEPIUS using e-mail: scholarships@cmeius.si and by the Slovenian Embassies in eligible countries.

*The scholarship cannot be awarded unless the original »Letter of Acceptance« signed and sealed by the Slovenian higher education institution – applicant’s future host institution is attached to the application.
PRACTICAL DETAILS

The scholarship is awarded upon the decision issued by the Ministry. The applicants and the respective authorities will be notified by the CMEPIUS in June/July 2014.
